The screenshot shows the 'Purchase Details - Apple Developer Program Enrollment' page. The browser address bar displays 'Apple Inc. developer.apple.com/enroll/complete/'. The page title is 'Apple Developer Program Enrollment'. The main heading is 'Complete Your Purchase'. Below this, a message states: 'Once you complete your purchase, you will receive a purchase acknowledgement and a membership confirmation email.' The purchase details are listed as follows:

| | |
|---------------|-------------------------|
| Membership | Apple Developer Program |
| Cost | NT\$ 3400 |
| Duration | 1 year |
| Enrollment ID | [Redacted] |

Below the purchase details, there is a section titled 'Automatic Renewal'. It contains the text: 'Automatically renewing your annual membership ensures that your apps remain available and that you maintain access to membership benefits. You can change this setting any time in your [account](#).'

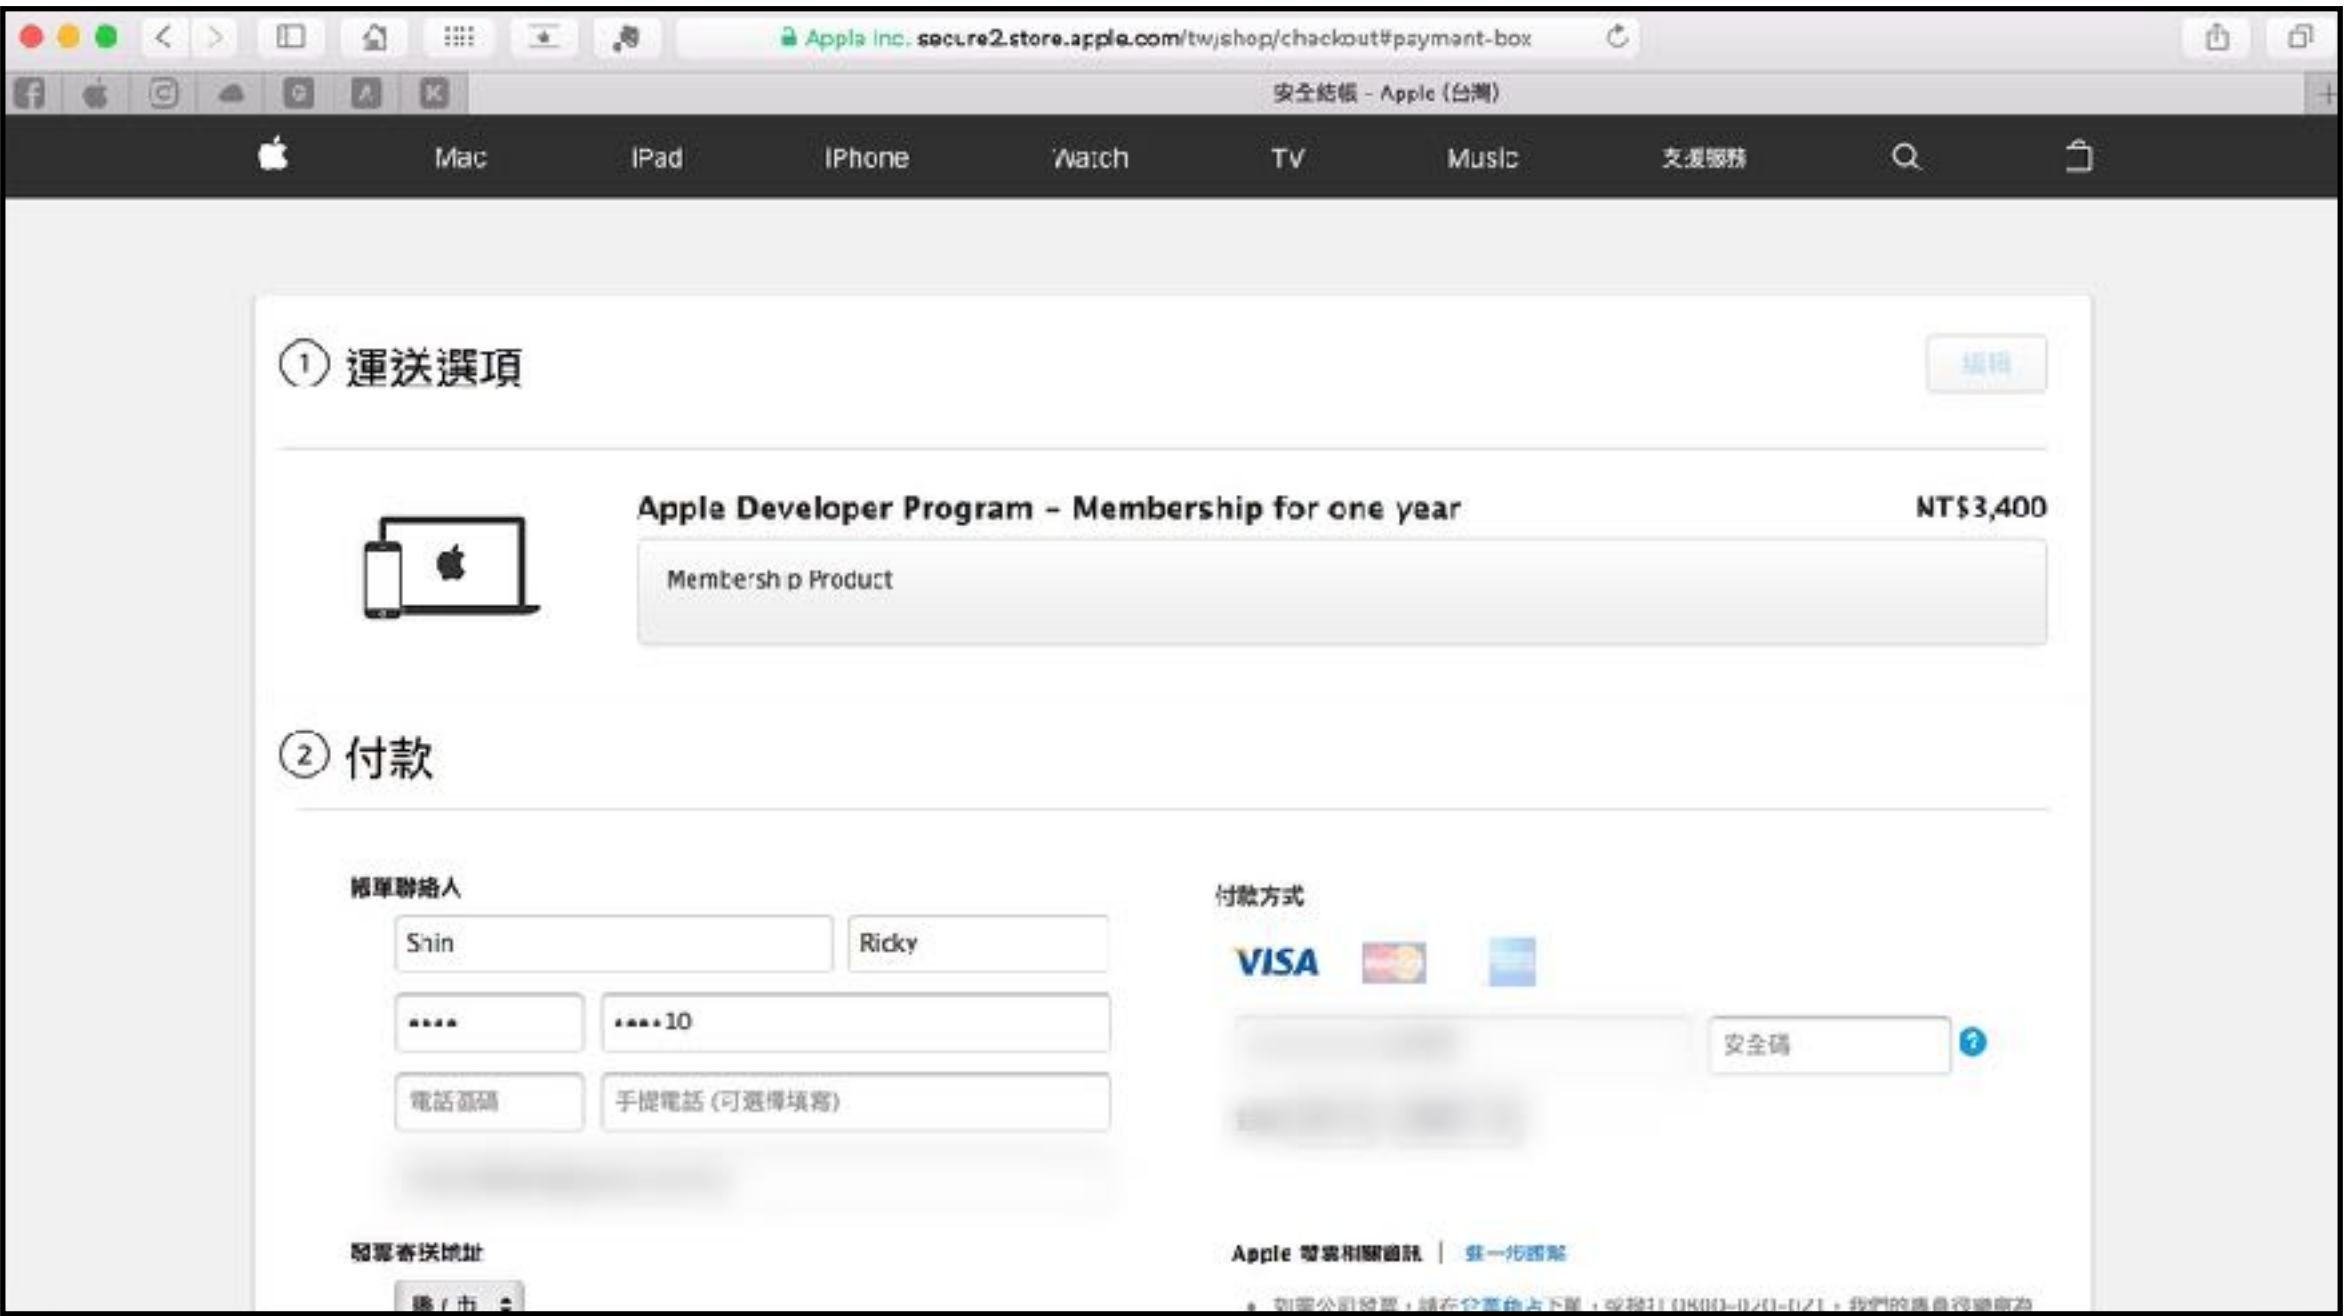

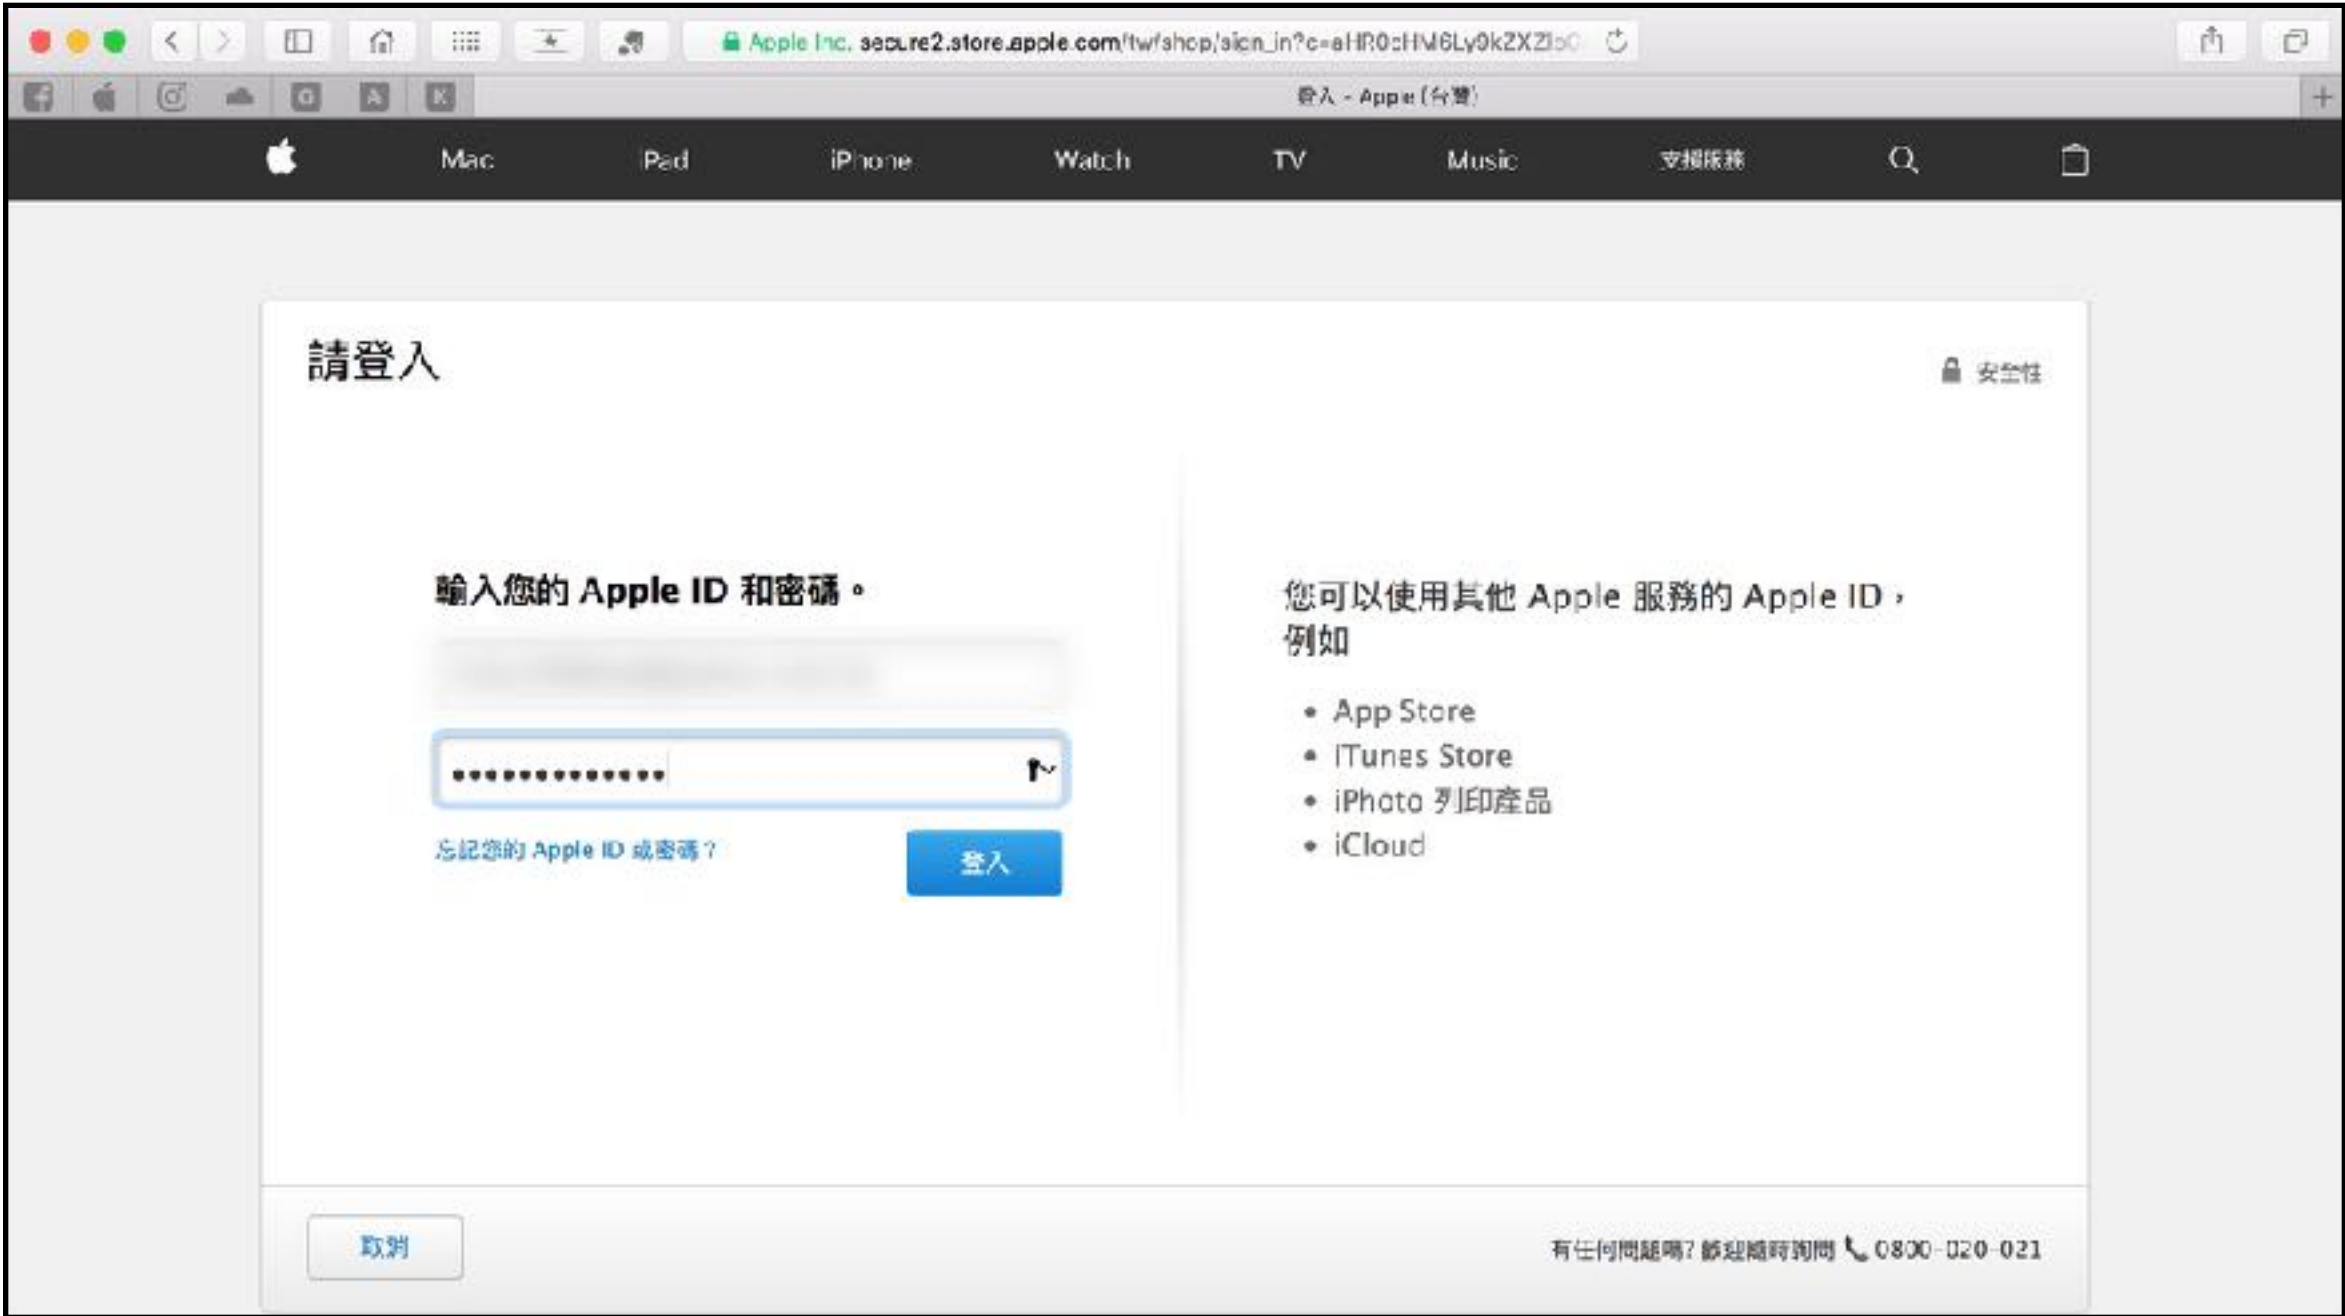

There is a checkbox labeled 'By checking this box and clicking the Purchase button, I give permission to Apple to automatically charge the default credit/debit card associated with my Apple ID to renew my membership, subject to the following:'. The checkbox is currently unchecked. Below this, there is a list of terms:

- I will be billed on an annual basis for NT\$ 3400. Taxes may apply.
- I can cancel automatic renewal at any time up to 24 hours before my renewal date by unchecking the "Auto-Renew Membership" box in the Membership section of my account.
- Apple will notify me of the upcoming charge before processing my automatic renewal.
- If Apple changes the membership price, I will be notified of the new price before I am charged and can opt-out by unchecking the "Auto-Renew Membership" box in the Membership section of my account.
- If the payment for my membership cannot be transacted for any reason, Apple will not process my automatic renewal and will notify me with instructions on how to manually renew my membership.

At the bottom right of the page, there are two buttons: 'Cancel' and 'Purchase'.
